## Who We Are

**Quality Chemicals**, a European manufacturer of high-purity salts, offers comprehensive services to streamline your raw material procurement for various sectors, including **nutrition** and **baby food**. With over 70 years of experience in manufacturing and two ISO and GMP-certified facilities, Quality Chemicals is your trusted **chemical partner**.

## Certificates

## Nutraceuticals

Nutraceuticals, or dietary supplements, are food-derived substances offering various **health benefits** when incorporated into one's diet. Our products adhere to strict quality and safety guidelines outlined in **Directive (EC) No 2002/46** and meet the exacting standards of the **Food Chemicals Codex** (FCC) for suitability as dietary supplements.
